Would you recommend Greiner Heating & Air?

Yes, definitely

Please tell us why:

Nick B was very thoughtful in his explanation of the installation and very professional.

The crew of Angel, Eduardo M., Sam and Eddie.

did a nice job of installing the H<sub>2</sub>O <sup>Heater</sup> into a tight space.

The unit could not be programmed and I was informed that someone would be out the next day to install a new circuit

board which was done by Diego. There was a small leak

around the expansion tank and Diego returned and installed

a new one. All my calls were handled nicely and all the
